

## NeuLand Gemischter Satz 2019

Here we have reinterpreted the tradition! This mixed set of Chardonnay, Welschriesling, Riesling and Traminer was harvested by hand in old vineyards and various locations in the western Weinviertel and pressed on the same day after more or less long maceration time. The wine is characterized by its pleasantly spicy taste and convinces as a versatile food companion.

- Animate fragrance of ripe fruit, on the palate elegant fruit presence with a touch of exoticism, clear spice with refreshing acidity, a classic representative from the western Weinviertel.
- A very versatile food accompaniment to the classic Austrian cuisine, but especially due to its spice also suits many wok dishes or Asian cuisine.

---
