

# WEINGUT ZULL

**P**icturesque rolling hills with vineyards as far as the eye can see – this is the Weinviertel. In the middle of this idyllic landscape, close to the Czech border, one finds the Zull winery in Schrattenthal, Austria's smallest wine village. Although its size of 18 hectares is not great, great wines are produced here. At the beginning of the 1980s the Zull winery began bottling their wines and concentrating on high quality. The Zulls rely on a sensitive hand rather than exaggerated technology for the vinification of their elegant and complex wines. Perseverance and courage to experiment has been a key to the success of the Zull winery. Son Phillip now furthers the vision of his father and strives for brilliant wines of character and longevity. The top wines are the "Grüner Veltliner Äussere Bergen", "Riesling Innere Bergen" and the rare and popular Pinot Noir.

Pale green-yellow with silver highlights. Delicate herbal spice, yellow apple fruit, a touch of honeydew melon and citrus zest. Complex with a crisp, juicy acid structure elegantly integrated in the fruit. Bartlett pear lingers long on the finish. Good potential for further development.

Good complexity with juicy acidity and a well-integrated tannin structure. Blackberry and notes of vanilla remain on the aftertaste. Good potential for further development.
