

Lust & Laune Rosé 2020

As the name already implies, our Lust & Laune Rosé offers pure pleasure. A cuvée consisting mainly of Zweigelt and Pinot Noir, it is widely versatile either as an accompaniment for snacks or as a liquid complement to relaxed discussions.

- Clear, lustrous pink-rosé, fine fragrance of fresh red fruits, highlighted by subtle spicy nuances, in equal measure fresh and fruity on the palate, altogether very well-rounded, lively and exhilarating, offering immense drinking pleasure.
- Excellent with snacks, but also goes superbly with salmon and all that can be conjured up from it.
